UKSE GROUP
PEOPLE AND PROJECTS FOR INFRASTRUCTURE

CASE Study

Offshore Engineering

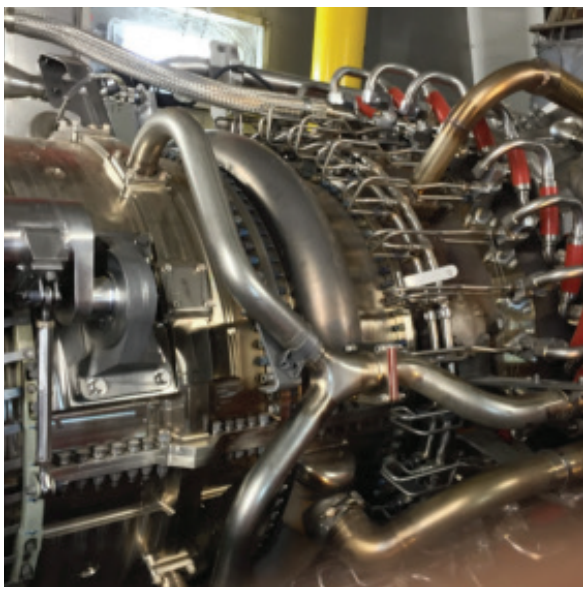

UKSE Group supports national and international clients across the globe. Our client, BP required assistance on a Reverse Osmosis system on one of their vessels that was sailing in the South China Sea between South Korea and Singapore.

We provided a fully qualified engineer with offshore experience and extensive knowledge of Reverse Osmosis technology. Our engineer carried out the required work during the tight timeframe of the festive and New Year period, minimise downtime for the vessel.

We deliver...

With a wealth of experience, across a wide variety of sectors, **UKSE Group** has provided an unrivalled specialist service.

UKSE Group provide a wide range of expert mechanical and electrical engineering personnel. Ensuring the right skills and resources are available for our clients at all times.
